SUMMARY

Web developer with a Pearson Higher Diploma in Computer Science and hands-on experience. Skilled at turning design mocks into pixel-perfect UIs, and working with engineers and designers for seamless experiences. Eager to grow into a full-stack role, write clean, maintainable code, and build products that solve real problems.

WORK EXPERIENCE

Junior Web Developer, Ohmyhome Real Estate Company May 2025 - July 2025

- Collaborated with UX designers and back-end engineers to implement pixel-perfect designs.
- Managed website content end-to-end in Prismic CMS: created, edited, and scheduled releases to ensure up-to-date marketing and product information.

Intern, Ohmyhome Real Estate Company Sep 2024 - April 2025

- Developed and maintained responsive UI components using React, Next.js, JavaScript, HTML5, and Tailwind CSS.
- Participated in daily stand-ups, code reviews, and sprint planning to continuously improve development workflows and product quality.
